

OUR NEW EUCHARISTIC ADORATION SCHEDULE BEGINS THIS WEEK!

- The primary purpose of Eucharistic Adoration is to adore Jesus Christ truly present, body, blood, soul, and divinity in the Eucharist.
- Jesus can NEVER be left alone during Eucharistic Adoration.
- If you are unable to attend your scheduled hour, please confirm that another adorer with the same hour as you will be present or find a substitute. You may easily find a substitute via the Adoration Pro software or you can find the substitute list on the parish website or the list that has been provided to all adorers.
- If the next adorer does not arrive, there is a list of emergency substitute adorers located in the chapel.
- Please be respectful of Jesus and your fellow adorers by showing up on time (or a few minutes early). Please turn off, or at least silence, all electronic devices while in Adoration.
- Please maintain silence - refrain from talking and whispering. Please do not pray out loud in the presence of Jesus. Please do not bring food or drink (water is fine) into the Adoration chapel.
