3:12 AM

Most Sacred Heart of Christ,

I thank you, bless you and cherish you so very much, Christ!!! I cannot describe how much love I feel for you!!! **I cannot describe how much beauty I see in your words, your will, wisdom and your INCREDIBLE ways!!!** Thank you Christ so very much for having given me, a sinner, the privilege of being a night adorer of Eucharistic Adoration and I humbly thank you for the following reflections that have come on my heart tonight!!

An understanding that is in my heart is to **NEVER** forget about the hours of abandonment!! For example, the 3:00 am hour is just as important as the 3:00 pm hour and this is why you stated to St. Faustina to remember your agony at that time!! I feel you are expressing your agony was still continuing near the end of the third watch 2-3 am (before the last cock crows) when you were TOTALLY abandoned because ALL the apostles fell asleep!! The same way all the faithful abandon the middle of the night hour sign ups for Eucharistic Adoration!! Unfortunately, these 2nd and 3rd watch hours are times when sins and crimes are committed most grievously and frequently! <https://www.thesleepjudge.com/crimes-that-happen-while-you-sleep/>

However, EVERYONE prefers sleeping and almost NOBODY thinks of offering up prayers or acts of reparation in the middle of the night at adoration. Even though you mention Christ over and over again plainly in the parables to 'stay awake', 'be alert', 'be on watch' during these hours and yet we choose rest and relaxation over reparation for all we have done!!! We can't even spare one hour even today and especially on weekends-the bars are always filled but NEVER the chapel!!

- Matthew 24:42
- Matthew 25:13
- Matthew 24:43
- Luke 38-39

“At three o'clock, implore My mercy, especially for sinners; and, if only for a brief moment, immerse yourself in My Passion, particularly in My abandonment at the moment of agony. This is the hour of great mercy for the whole world. I will allow you to enter into My mortal sorrow. In this hour, I will refuse nothing to the soul that makes a request of Me in virtue of My Passion...” (Diary, 1320).

Thank you Christ for your infinite patience with us all! I can't tell you how much I love you and how sorry I am for my sins too and lack of following the greatest commandments. **Your greatest miracle is surely your merciful and loving heart!**

Lastly, thank you for the most beautiful prayer intention I feel you have placed on my heart: to pray for **ALL** deceased unborn children, especially the little ones that have been mercilessly slaughtered by abortion!! I WILL pray the chaplet of Divine Mercy that the font of water that gushed forth from your side will be their baptismal font in heaven, the communion that I offer up

at Mass by proxy will be their Bread of Life/spiritual food and lastly that the blood that gushed forth from your side will be their heavenly 'cup of salvation' so that **ALL** these little souls will repose in heaven. I will also offer up this intention for any holocaust victims, souls slain by genocide/hate, slaves or any other types of souls that may be in purgatory that we don't know about that were not properly evangelized in the faith. I will offer up all this through your Most Sacred Heart and if it all be according to the most Holy Will of God the Father.

Amen,
Rosita Maria Dennis

P.S: At 3 pm, Christ had adorers at the foot of the cross (St. John, Blessed Virgin and the other Mary etc...At 3 am, he had NOBODY...I felt in my heart Christ pointing to that hour as being the an important hour of abandonment too!!. The same way He is abandoned at that hour today in the Blessed Sacrament. In my heart, I feel like He is emphasizing this strongly. This is why it talks about on day 6 of the Divine Mercy Novena about keeping VIGIL at His altars. A vigil occurs during the night hours not day...Why can't we start also praying more chaplets during the middle of the night adoration hours, especially 3:00 am to be on the safe side and to make reparations for our many sins??!! I think all these reflections I've been getting were leading up to Christ wanting me to pray for this and ask these questions as well as bring this to attention.

“Today bring to Me THE MEEK AND HUMBLE SOULS AND THE SOULS OF LITTLE CHILDREN, and immerse them in My mercy. These souls most closely resemble My Heart. They strengthened Me during My bitter agony. I saw them as earthly Angels, who will keep vigil at My altars. I pour out upon them whole torrents of grace. Only the humble soul is capable of receiving My grace. I favor humble souls with My confidence.”-Divine Mercy Novena booklet
